Respected sir,

The matter of refund differential amount of penalty due to time limit extension in schedule time for installation of rooftop solar system i.e 85 days of second surge of Covid-19 under SURYA-Gujarat Scheme was under consideration. The procedure for refund the differential penalty amount on the SURYA-Gujarat Portal was under development which is completed now.

In this regard, following guideline has been approved by the Competent Authority to refund the penalty amount due to second surge of Covid-19:

1. Empanelled Agency has to upload a written application (Separate application for each claim) to get the refund against the original claim on their letter head on SURYA-Gujarat Portal as per installer manual (Attached herewith).
2. Division office shall initiate the refund process as per DISCOM manual (Attached herewith).
3. Through recall facility given on SURYA Gujarat portal, the data of differential amount of penalty will be fetched against the original claim by DISCOMs
4. Division office shall check the refund amount as per letter no. GUVNL/Tech/Solar Cell/SRT/2229 dated 11.08.2021 and payment has to be made by the Corporate office of respective DISCOM as per regular payment process.
5. Only revised penalty amount without taxes should be refunded as taxes already collected by DISCOMs cannot be refund back.

Yours faithfully,

(S. S. Modi)
